

## Graf Rink Birthday Party Rules and Guidelines

- Cost: \$130
- Payment must be received in full in order to guarantee your reservation. Cash, checks and credit cards (Visa or MasterCard) are all accepted.
- The \$130 party fee does NOT include the red skate bars in the pro-shop. Those needing a red bar must rent it. The cost is \$3 a bar and you will receive \$2 back when you return the bar to the pro-shop. The red bars are only available to children that are age 7 and younger.
- We strongly recommend that all children age 6 and under wear helmets. Bike helmets are fine so long as they fit snug to the head. Please keep hands protected with gloves or mittens.
- Please pick up the official Graf Rink party invitations when you come in on the day of your party. Please hand them out to those needing rental skates. When they rent their skates they will give the party invitation to the rink attendant on duty in the pro-shop.
- Remember to have your guests arrive early as we do not guarantee rental skates. Our sizes range from tot size 7 through adult size 15. We have a limited amount of each size. Please return your rental skates to the pro-shop before going upstairs for the party. Skates should not be worn upstairs at any point in time.
- There is a freezer available to you if needed. Please ask the front office for assistance.
- Please be courteous and clean up the party room to the best of your ability at the conclusion of your party. There are two trash barrels in the party room for your convenience. Pizza boxes or any large trash items may be placed next to the trash barrels.

Thank you for choosing to have your party at the Graf Rink!
